

**MRS. BOOMER GETS
LOST \$10,000 RING**

Seaman on Liner Charged With Theft of Diamond From Her Stateroom.

SOUTHAMPTON, Sept. 27.—When the liner Olympic reached Southampton two detectives met the ship as the result of a wireless message from the Captain reporting the theft of a \$10,000 diamond and platinum ring from Mrs. L. M. Boomer, wife of the proprietor of the Waldorf-Astoria Hotel.

Detectives arrested a seaman aboard the Olympic, but only in the nick of time, because the man tried to throw the jewel overboard when told by another member of the crew that detectives had come to make a search. The seaman's informant was also arrested for complicity, and both will appear in court to-day.

The seaman charged with the theft was searched at the police station and on him, it is alleged, was found the brooch Miss Slinger lost on the last voyage of the Olympic to New York.

**TWO RIVALS IN LOVE
LAND IN HOSPITAL**

One Stabbed, Other Breaks Leg, Escaping After Fight Police Say.

William Papalan, twenty-two, of No. 531 Westchester Avenue, the Bronx, was taken to Poughkeepsie Hospital last night in a critical condition suffering from a stab wound in the left breast. At the same time William Sabian was taken to St. Joseph's Hospital, Yonkers, with a broken leg. Sabian was injured when he jumped from the roof of a house in East 240th Street.

According to the police Papalan and Sabian were rivals for the hand of a girl living at No. 407 East 240th Street, where the row started. Sabian, the police say, was pursued by occupants of the house after the stabbing, and ran to the roof and jumped. He was taken to St. Joseph's by a passing automobile.

Papalan walked to Martha Avenue and 140th Street, where he collapsed and was found by Patrolman McCann of the Wakefield Station.

**WIFE REFUSED
TO COOK CHICKEN;
TOOK STRAP TO HER**

Police Allege Moolik Asserted He Had a Right to Beat Her When She Disobeyed.

It is quite proper for a man to "discipline" his wife when she disobeys, according to Daniel Moolik, No. 442 Blake Avenue, Brooklyn. He will have a chance to compare his opinion with that of others when he is tried on a charge of assault next Wednesday in New Jersey Avenue Court.

The police say Moolik admits having beaten his wife with the buckle-end of a strap when she refused to cook a chicken for him on Sunday. She was taken to St. Mary's Hospital with her left arm fractured at the shoulder. The police say another tenant of the building, named Robinson, was struck in the face and lost two teeth when he tried to stop the beating.

SHOES SOLD WITHOUT PROFIT \$5,000,000 SALE

Formerly at Grand Central Palace

Perhaps it "just happened" that, when this sale was launched at the Grand Central Palace prices in "regular" stores began to go down, and the backbone of the "war" prices was broken. Perhaps it "just happened" that, when we were compelled to close the sale at the Grand Central Palace, "regular" prices were quoted in "regular" stores again. Perhaps it "just happened" that, as soon as this sale reopened in the new location "regular" stores began to find "surplus" stocks of prominent manufacturers, "seconds" and other "sale" goods. Perhaps you will note, however, that the goods in this sale are all first quality goods, all "regular" goods and at remarkably low prices.

Two Stunning Values in Women's Boots at \$7

One of the most attractive sections of the entire store is the \$7 line of women's smart high boots for fall and winter wear. All new stock and a variety of pretty models from which to choose. Such a low price would be impossible were it not for the fact that in closing out this stock all goods are offered without profit. Two of these styles are illustrated in this advertisement.

No. 6047—Illustrated above, is a very smart, twenty eyelet lace boot for fall and winter wear. Fine black calf skin vamp, very fine quality, gray made top, hand turned soles and French heels.

No. 6032—Pictured above, is an all gray suede boot for fall and winter wear. Twenty eyelets high, with hand turned soles and French heels, it is a very smart model and a wonderful value at the price.

A Wonderful Boy's Shoe at \$2.50

It is not very often nowadays that you see a boy's shoe at \$2.50. Here is one that is a dandy. It is made of a good quality gun metal leather, Blucher model, built on a full toe last; has a heavy single sole and is made to stand the knocks and hard wear that a normal, healthy boy gives to shoes. It is one of the big values of the sale. Sizes 2½ to 5½.

Men's Shoes, Great Values, \$4.00

These shoes, of gun metal leather, in straight lace or Blucher models, with English, medium or full toe lasts, Goodyear welted, heavy single soles, in five models, are the shoes that have proven so popular with policemen, firemen, mail carriers, conductors and men who want service, appearance and comfort at a moderate price. Sizes 6 to 11.
